

Come hear from **Ward 7** residents about the success of affordable housing programs in your community and join with others to call for more affordable housing for all our neighbors.

Ward 7 needs affordable housing that

- ✓ Keeps long-term residents in the neighborhood
- ✓ Allows tenants to purchase their buildings
- ✓ Helps people buy their first home

See you there!

Sponsored by CNHED and the Marshall Heights Community Development Organization

The **Coalition for Nonprofit Housing And Economic Development** is committed to the idea that all District residents deserve decent, quality housing at a price they can afford and call on District officials to invest in the programs that meet that need. CNHED has launched the Continuum of Housing Campaign to work toward that goal and to win **Housing for All**.
